## ABOUT ME

I am a calm, introvert person. My philosophy to work as a team Leader or team member is to keep yourself cool at any given circumstances, listen the other party, and get the target job done with minimal talking and maximum doing. Managing your time and proper planning with fail safe plan is the top most priority for me both in my personal life and my work. And last but not the least constantly upgrade your knowledge/skills as our subject Control-Instruments-Electricals always rapidly developing globally.
